In *Tyler Perry's The Marriage Counselor*, we meet Roger Jackson (Tony Grant) an accountant, who made sacrifices so his wife Judith (Tamar Davis) - could set up a thriving practice as a marriage counselor. Judith, a confident, Ivy league educated professional has no problem doling out marital advice to others. However, when she encounters serious marital problems of her own, wonders where to turn when her marriage is threatened. Who is going to counsel the counselor? The surprise element of this adult-themed production is hysterically unpredictable.

*Tyler Perry's The Marriage Counselor* introduces; Palmer Williams, Jr. as "Floyd" (Roger's father), who can also be seen in Tyler Perry's hit sitcom "House of Payne", and Altrinna Grayson as T.T (Judith's mother). Floyd and T.T. (parents of Roger and Judith), are "temporary" house guests without a departure date. Other cast members include Timon Kyle Durrett, Stephanie Ferrett, Myra Beasley, Johnny Gilmore, Brandi Milton and Nicole Jackson!
